

ABOUT ME

Angela

RN & Clinic Manager

Angela Dreher, RN is Pose Aesthetics & Functional Wellness's Clinic Manager—our own “Martha Nightingale.” She pairs Nightingale-level compassion with Stewart-grade organization: triages a waiting room, keeps patient flow gliding, vendors behaving, and inventory saluting—and yes, she'll spot the one crooked label you missed. When debate breaks out, Angela cross-examines it like Court TV and then settles it with a Reddit deep dive (“source: this thread—you're welcome”). Calm, kind, dangerously efficient, and armed with checklists and internet receipts—she's the reason Pose runs tight and looks good doing it.
